### **NON-RECURRING RATES FOR FISCAL YEAR 2005**

**EFFECTIVE OCTOBER 1, 2004**

#### System 85

Charges will be on a "T&M" (Time and Materials) basis. The unit labor rate for telephone technician services will be \$19.50 per 1/4 hour, with a minimum of one hour (4 units, \$78.00) per service order. Material charges for service orders will apply when wire and/or jacks are placed.

Software charges for reprogramming of instruments will be \$13.00 per button change with a maximum of \$78.00 per instrument.

Labor and software charges will be charged for disconnect orders.

The order processing charges will be \$10.00 per order for fiscal year 2005.

Standard "T&M" charges will apply for maintenance visits resulting from customer caused problems, such as instruments unplugged, coffee spilled on instruments, etc.

#### DIT CENTREX

The cost of repairs, installation, and software changes on DIT Centrex lines will be passed on to the user at Ameritech rates.

Current SBC rates are:
